

NORTHERN MID-CITIES SOCCER LEAGUE

Game Report / Misconduct Form Guidelines

1. The Game Report and Game Misconduct Report is **one form** used within NMCSL.
2. Each team playing a NMCSL match is required to present a completed Game/Misconduct Report (**roster filled out**) to the Center Referee prior to the game. It is recommended for Associations to make additional BLANK forms available at game fields in case the coach has misplaced the form, one may be filled out and presented to the Center Referee **PRIOR TO THE START OF THE MATCH**.
3. The center referee will:
 - a. Document the score.
 - b. Document caution(s)/ejection(s) on the Report with necessary details (using the back of the form as needed) as applicable.
 - c. The center referee will **NOT** return the Report to the respective teams; the referee will tear off the corner Section B of the form to provide to the coach with the final score for reporting purposes.
 - d. The center referee will submit the Report to a place designated by the home association for the playing field. Each member association has a dedicated person/place to drop the form at the fields; this will be visible to the coaches.
4. Each Association in NMCSL has one A & D representative whose responsibility is to collect Game/Misconduct Reports in a timely manner.
5. Once the Reports have been collected, it is the responsibility of the A & D contact to enter the information from the Misconduct portion of the Report into the NMCSL database.
6. The A & D Chairman for the home Association where the game took place will retain the Game/Misconduct Report until such time as it may be needed for a hearing or collected at the end of the season by the A & D Chairman of NMCSL.

Additional Notes:

- Sit Out Verification forms are the responsibility of the Coach to be provided to the center referee **PRIOR** to the game in question. It is the responsibility of the coach to return the signed form to the team's home association A&D chairperson.
- The home association A&D chairperson will submit the sit-out information in the NMCSL A&D system.
